

Back to the Future: Futuring Skills

Introduction

Would you want to see what's coming in the future today? Be faster prepared for disruptions? Gain more control of your future? Do you want to get better at changing what's possible today? Everyone can think about the future with more creativity and optimism. Professional associations like the World Future Society and the Society for Human Resources Management have acknowledged the value of future-focused skills as a critical competency.

This programme is designed and developed specifically to assist in knowing how to Change for the future today in your company, your industry, your community, and in your own life. We make the future for you today.

Course Fee: RM6,000.00 per day (In-house)
RM1,300.00 per day per participant (Public)
