

Working in A Team Effectively

Introduction

For work to get done, organisations rely on teams. However, we do not always end up in a team that works well together and generates interesting results. If you find yourself in this circumstance, you may be asking how to collaborate well with others.

As companies move towards team-based structures, team-working skills becomes one of the most important skills that you need to develop.

This training programme provides you with the necessary knowledge and skills to work as an effective member of a team. Learn how to participate effectively as a team member and contribute towards team success.

Key Learning Outcomes

By the end of the course, participants should be able to:

- State the concept of working in team.
- Describe basic skills and knowledge on how to work effectively in a team and contribute to the team's development.
- Discuss ways to develop or enhance team success factor throughout the four different stages of team development.

Duration

2 Days

Target Participants

Senior Leaders, Senior Managers, Managers, Senior Executives, Executives, Supervisors or Line Leaders, Team Leaders, Officers, and staff members
